

To Whom It May Concern:

My name is Joseph Minardi and I am the President of Minardi Air Corporation. I write this letter to strongly recommend to you Mad Graphics.

Mad Graphics is an incredible design and print company with a wealth of knowledge and creativity. Not to mention excellent service and people you can count on to be timely and responsive.

When I started my company nine months ago I wanted to stand out from the rest of the companies in my profession. When you see the design that Mad Graphics has done there is no mistaking what company you are looking at. I have people calling my office for no other reason but to tell me how impressive the vans look and what a great design. This is what I call "Branding", the design does exactly what I want it to do, set me apart.

Mad Graphics is truly a company driven to help their customers succeed as they have helped my company in so many ways. Well beyond the realm of a business relationship, we have a friendship.

Sincerely,

Joseph R Minardi

Pres/CEO
